## Printed Photos

This is the ONLY place, worldwide, these photo prints are available for sale.

Erin is a beauty that doesn't seem to know it. Which of course makes her even MORE beautiful. She was but 19 when these pictures were taken. Of the gorgeous girls he's photographed, Mike thinks Erin had the best face for "stardom" he'd ever seen. "She was only here a day, not long enough for me to get to know her personality" Mike says, "but she has that quiet, natural, innocent beauty that is universally adored by men and young women alike....the "IT" that old movie moguls used to speak of. I'd love to have her back again sometime." Okay, you heard it. Erin if you're out there, Mike needs you to lend him more of your beauty for this page.
